OTHER SPORT COMMENT

By WILLIAM PEET,

Numerous inquiries have been asked of this office regarding the half dozen or more young men who spring-trained with Manager Griffith down in Char-lottesville this spring, and who have been sent to the minor leagues. That the youngsters have turned out

to be pretty fair ball players in the va-rious classes to which they have been assigned is now a matter of history, and the chances are that a number of them will be recalled by the Old Fox for another trial next year. Johnny Mumford, the Washington boy.

Boehling let up a bit and the Brownies made two of their three runa. But all of them came one at a time. Eleven hits were made off Griffith's southpaw.
Before Hamilton had time to get fairly warmed up, Danny Moeller greeted him with a clean single. Foster hit the fourth with a clean single. Foster hit the first pitched ball for a one spot. Mike Mitchell also cracked out a base hit after twice failing to sacrifice, acoring Moeller. Gandil sacrificed the pair along and they counted on Morgan's smash.

Those unaccounted for who showed any kind of class in Charlottesville in-clude Big Herman Schwartje, who was sent to Newport News and after fail-

ing to make good has apparently dropped out of sight.
Other players more or less familiar to Washington fans are Long Tom Hughes, the veteran pitcher, who has thus far won the majority games with the Los Angeles club of the Pacific Coast League; Carl Cashion. with Montreal, who also looks like a winner.
